

## Introduction to Millinery : Felt, Straw, and Buckram Blocking Workshop

During this workshop you will learn how to steam and block felt, straw, and buckram using traditional millinery techniques on vintage hat blocks. Millinery is a vast subject, and this workshop will serve as a general introduction to the craft.

Classes are on Tuesday nights for 4 weeks, and will be from 4- 8pm.  
Please contact Dayna Pinkham for current schedule.

The workshop will be held at my studio downtown and requires a minimum of 2 students. The maximum class capacity is 4 students.

In this class you will design and block three hats, one felt, one straw and a buckram cocktail hat.

Techniques covered are:

1. Blocking and shaping on wooden millinery blocks
2. Basic millinery related stitches
3. Inserting wire in the brim, and brim edge finishes
4. Measuring headsizes and custom fitting hats
5. Embellishing with decorative trim; ribbons, flowers, felt/straw braids, veiling and feathers

Workshop Fee: \$495

All foundations and related supplies are included in the price of the workshop (felt, straw, buckram, wire, headsize ribbon, thread). Trim and fabric to cover buckram frame will be supplied by student and will be discussed at first class.
